Israeli forces carried out new strikes inside the designated “yellow line” on Friday, despite the ongoing ceasefire framework.

Conditions across Gaza continue to deteriorate, with aid restrictions, displacement, and limited access to food and medicine deepening the humanitarian emergency.

.Since October 7, 2023, Israel has killed 69,187 and injured 170,703 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.

Blackmail, Power, and Foreign Policy: The Epstein-Barrack Question

PALESTINE CHRONICLE: While the US media largely ignores infamous child trafficker Jeffrey Epstein's now-proven ties to Israel, it provides them space to disconnect the recent revelations about Donald Trump and his top officials, like Thomas Barrack, from foreign policy. Yet, the evidence suggests a further inquiry is desperately needed, and the rest of the evidence should be released.

Hamas Calls on Guarantors and International Organizations to Deliver Aid to Gaza

HAMAS STATEMENT: The catastrophic conditions facing displaced civilians due to the ongoing storm highlight the urgent need for relief and shelter.

Israel is stalling and obstructing the entry of humanitarian aid, tents, and caravans into Gaza.

We call on the guarantors of the agreement, the United Nations, the Arab League, and the Organization of Islamic Cooperation to act immediately to deliver humanitarian, medical, and shelter supplies to Gaza.

We call for guarantees to protect displaced people and ensure they receive the minimum conditions for dignified living under the catastrophic reality created by the occupation.
