Israeli forces continued to target tents sheltering displaced people and hospitals across Gaza, killing and wounding scores of Palestinians.

Amid widespread famine, UNRWA reaffirmed its commitment to its mission and expressed readiness to provide aid in Gaza in coordination with other UN agencies.

Since October 7, 2023, Israel has killed 54,510 and injured 124,901 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.

Gaza Health Ministry Director-General: Approaching Mass Death

AL-JAZEERA:

The Director-General of the Gaza Ministry of Health conveyed that the Strip is nearing mass death, with observed crimes of genocide and ethnic cleansing.

Ethnic cleansing in the Strip is seen as a military objective practiced by the occupation to establish settlements.

Hospitals in the Strip lack medicine and electricity, and fuel quantities are insufficient.

The occupation is systematically destroying the health system and exploiting this for displacement.

Gaza has been experiencing systematic Israeli starvation for over three months.

Israeli Army Denies Attempting to Rescue Matan Zangauker, Family Awaits Response

ISRAELI MEDIA:

The official Israeli Broadcasting Authority reported that the Israeli army did not attempt to rescue the kidnapped soldier, Matan Zangauker, in Gaza. This statement followed confirmation from the Qassam Brigades that the prisoner and his companions were besieged by the occupation army somewhere in the Strip.

Israeli Channel 12 also quoted security sources who stated they were “unaware of any attempts to rescue the hostages in Gaza.” These sources added that the army is in direct contact with all families of the captives and keeps them informed of any new information.

Meanwhile, Matan Zangauker’s family stated they are still awaiting an official response from the security establishment. According to Haaretz, they have given permission for the circulation of their son’s photo, which was published by Hamas.
