Israeli airstrikes and artillery fire continued across the Gaza Strip overnight, forcing more Palestinian families to flee amid ongoing demolitions and heavy bombardment.

At the same time, Israeli forces intensified raids throughout the occupied West Bank, including arrests and armed confrontations reported in several areas.

Since October 7, 2023, Israel has killed 69,546 and injured 170,833 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.

Hamas Calls on Mediators to Compel Israel to Implement the Agreement

HAMAS SPOKESPERSON IZZAT AL-RISHQ:

We call on mediators and the US administration to pressure Israel to reveal the identity of the fighter it claims Hamas sent.

Israel is fabricating pretexts to evade the agreement and return to genocide, while it is the party violating the deal daily and systematically.

There is no truth to Israeli claims that Hamas informed Witkoff that the agreement had ended.

We have urged mediators and the US administration to intervene and compel Israel to implement the agreement.
