Israeli airstrikes have struck areas designated as “safe zones” in the Gaza Strip, leaving multiple casualties and triggering renewed displacement among families who had already fled earlier bombardments.

At the same time, Israeli occupation forces have intensified raids across the West Bank, with widespread arrests and violent incursions reported in several towns and refugee camps.

Since October 7, 2023, Israel has killed 70,103 and injured 170,985 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.

Hamas: Abu Shabab's Fate Is Inevitable for Anyone Who Betrays Their People

HAMAS:

“The fate of Yasser Abu Shabab is inevitable for anyone who betrayed their people, and the occupation’s reliance on degenerate gangs reflects its failure in the face of our people’s steadfastness.

“The occupation will not be able to protect any of its collaborators, and the unity of our people and their families is a safeguard that will not allow space for suspicious gangs.

“We value the stance of the families who have disowned Abu Shabab and anyone involved in assaulting our people.”
