Most of the bases targeted in Israel were hit directly, especially the airbases.

Most of the objectives of the strike were achieved according to the set plan.

Nevatim, Hatzerim, Tel Nof, Netzarim, and Gilot bases were targeted.

The scale of Israeli missile interception was weak.

It has been confirmed that there were significant casualties among Israeli soldiers

ABU OBEIDA:

We congratulate the Iranian response that covered the entire geography of occupied Palestine and dealt a strong blow to the criminal occupation that thought that its rampage in the region and its aggression against its people could pass without punishment.

This is an exceptional day in the history of the struggle, in which the fires of the nation’s resistance crossed in the skies of Palestine, and Tel Aviv was exposed to the strikes of the fighters from Yemen, Lebanon, Palestine, and Iran. This is a call to all the free people of the nation to make a share in the liberation of Palestine.

IRANIAN PRESIDENT: The attack was in defense of our interests and our citizens. Netanyahu should know that we do not seek war, but we will stand firmly against any threat.
