## Staff

Israel's war on Gaza and its escalation across the occupied West Bank continue, with reports of three Israeli soldiers injured in a stabbing operation in Ramallah.

Meanwhile, Israeli forces killed a Palestinian child in Hebron and intensified artillery shelling on Khan Yunis in southern Gaza.

Since October 7, 2023, Israel has killed 70,103 and injured 170,985 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.

## **'The Struggle Is One': Palestinians in Venezuela Oppose US Aggression**

PALESTINE CHRONICLE: Having made spurious claims of bringing "peace" to the Middle East, leaving Gaza's Palestinians displaced, blockaded and continually massacred, US imperialism is driving an increasingly bloody campaign for war on Venezuela. Despite its distance, Palestine looms large in Latin America, with Palestinian activists among the most prescient voices against US-led aggression.
