In the latest Israeli admission that Hamas cannot be defeated, Minister of Agriculture Avi Dichter said that destroying the movement's capabilities is an unattainable goal.

Meanwhile, the Israeli military continued to bomb residential areas throughout Gaza, while fully demolishing entire housing blocks.

While fierce battles continue in the Strip, equally intense battles were reported in Jenin, in the northern West Bank, where an Israeli officer was killed and 16 wounded.

According to Gaza's Ministry of Health, 37,718 Palestinians have been killed, and 86,337 wounded in Israel's ongoing genocide in Gaza starting on October 7.
