Deaths and injuries were reported following the Israeli aggression on the Guidance Directorate headquarters in central Sanaa.

Israeli daily Maariv reported that female activists stormed the broadcast studio of Channel 14, demanding an end to Israel's war on Gaza.

Since October 7, 2023, Israel has killed 64,718 and injured 163,859 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.
