Iranian media reported the killing of several nuclear scientists and high-ranking military officials, including Islamic Revolutionary Guard Corps (IRGC) Commander Hossein Salami and Chief of Staff Mohammad Bagheri.

Israeli Army Radio quoted a source as saying that a potential Iranian response could come within hours.

Since October 7, 2023, Israel has killed 55,207 and injured

127,891 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.
