Four Palestinians were killed and many others injured in Israeli shelling that targeted a house north of Khan Yunis, in the southern Gaza Strip.

Meanwhile, hundreds of reserve soldiers in Israel's Intelligence Unit 8200 have joined a protest petition calling for an end to the war on Gaza.

Since October 7, 2023, Israel has killed 50,846 Palestinians and injured 115,729 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.

Israeli Institute: We Have Faced Strategic Confusion Since the Start of the War

INSTITUTE FOR NATIONAL SECURITY STUDIES:

The continuation of the current situation in Gaza and the postponement of decisions regarding it is a negative option.

The government's failure to find alternatives regarding the future of Gaza leads to the continuation of Hamas rule.

The government's failure to find alternatives regarding the future of Gaza opens the door to chaos.

The strategic confusion we face is the result of a wrong policy since the beginning of the war.

Indonesian FM: We Strongly Reject Any Attempt to Displace Palestinians

INDONESIAN FOREIGN MINISTER:

We have long supported the struggle of the Palestinian people, and the only solution to the conflict is a two-state solution.

We strongly reject any attempt to displace the Palestinian people from their land under any pretext.

We are ready to provide any assistance to the Palestinian people.

It is necessary to ensure the agreement of the countries of the region on any proposal we present regarding the Palestinians.

Egyptian FM: We Completely Reject Any Displacement of Palestinians

EGYPTIAN FOREIGN MINISTER:

The talks we held today were important and fruitful.

Egyptian-Qatari efforts are ongoing daily to conclude an exchange deal.

Israel must return to its commitments under the ceasefire agreement.

We seek to enable the Palestinian people to remain on their land.

A temporary committee will manage the Gaza Strip for 6 months until the Palestinian Authority can take over.

We completely reject any displacement of Palestinians.

Any displacement of Palestinians under any name is completely rejected.

The departure of the Palestinian people from their land will lead to the liquidation of the Palestinian issue.

Saudi FM: We Categorically Reject the Transfer of the Palestinian People

SAUDI FOREIGN MINISTER:

There must be an immediate return to a ceasefire in the Gaza Strip.

The entry of aid into Gaza should not be linked to a ceasefire.

We demand pressure on Israel to ensure the access of aid to civilians in Gaza.

We support the efforts of ceasefire negotiations in Gaza and appreciate the efforts of Qatar, Egypt, and the United States.

We categorically reject the transfer of the Palestinian people from Gaza under any slogan.

We are committed to a path that leads to a lasting and comprehensive peace that guarantees the rights of the Palestinians to an independent state.
