Unprecedented destruction in Israel as Iran intensifies its retaliatory strikes: at least seven Israelis were killed and over 100 injured in Tel Aviv.

Meanwhile, Al-Qassam Brigades ambushed Israeli forces in Khan Yunis, killing at least one soldier and wounding others.

Since October 7, 2023, Israel has killed 55,315 and injured 128,741 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.
