## Staff

Israeli airstrikes on the Gaza Strip continued on Thursday, targeting multiple areas and causing new casualties.

At the same time, Israel launched a strike near Damascus, leaving 13 Syrians dead and six Israeli soldiers wounded.

Since October 7, 2023, Israel has killed 69,775 and injured 170,965 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.
