## **Staff**

A horrific massacre was perpetrated in northern Gaza. Israel bombed a building in Beit Lahiya where more than 70 displaced people were sheltering, killing scores of them, including children and women.

Hezbollah bombed several sites across Israel, including the Krayot area, north of the city of Haifa.

According to the Palestinian Health Ministry (Gaza), 43,736 Palestinians have been killed, and 103,370 wounded in Israel's ongoing genocide in Gaza starting on October 7, 2023.
