US President Donald Trump took to his Truth Social account to threaten Iran, stating that everyone should evacuate the capital, Tehran.

Meanwhile, the Israeli newspaper Haaretz reported that Israelis and foreigners are attempting to flee the country by sea, as more Iranian attacks are expected in the coming hours.

Since October 7, 2023, Israel has killed 55,493 and injured 129,320 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.

Walla Report on Iranian Missiles: 'Not Only Accurate'

ISRAELI MEDIA: Walla news website reported that emerging data indicates Iranian missiles are not only accurate but cause significant damage upon impact.

Wed, Jun 18, 12:08 AM (Palestine Time)

New York Times: Iran May Target US Bases

NEW YORK TIMES:

According to American officials cited by The New York Times, Iran has prepared missiles to strike US military bases in the Middle East if Washington joins the attacks against it.

If conflict breaks out, Iran may also begin laying mines in the Strait of Hormuz to block US naval movement.

US forces across regional bases have been placed on heightened alert.

Wed, Jun 18, 12:08 AM (Palestine Time)

IRGC: Our Attacks Will Continue in Complex, Layered Waves

IRGC: The Iranian Revolutionary Guard said it targeted Israeli air bases used in the recent attacks. They added that Iranian operations will continue in sustained, complex, and multi-layered waves.

FOX NEWS: Fox News quoted a White House official as saying that US strikes on targets in Iran, including nuclear facilities, remain on the table.

Tue, Jun 17, 8:49 PM (Palestine Time)

CNN: US May Refuel Israeli Jets Mid-Air

CNN: CNN quoted a source saying the US military is preparing for a possible order from President Trump to refuel Israeli aircraft mid-air during strikes on Iran. This is reportedly one of the reasons over 30 US aerial refueling tankers were deployed to the Middle East. Such refueling would fall within the scope of direct US military involvement.

Tue, Jun 17, 8:06 PM (Palestine Time)

Iranian Chief of Staff: Operations So Far Only Warning for Deterrence

IRANIAN CHIEF OF STAFF:

Chief of Staff of the Iranian Armed Forces Abdolrahim Mousavi said Iran's previous operations against the enemy were deterrent in nature, but retaliatory operations will be carried out soon.

He accused Israel of launching an aggressive attack targeting Iranian civilians, including women and children, and of violating international law by bombing Iranian television to suppress the truth.

He warned residents of the occupied territories, particularly in Tel Aviv and Haifa, to evacuate for their safety.

"The blood of our citizens, scientists, and military leaders will only strengthen our determination to punish the Zionists," he stated.

"Let the free peoples of the world rest assured: the great nation of Iran, led by its armed forces, will avenge the blood of the martyrs".

Axios: US Told Allies It Won't Join War Unless Americans are Targeted

AXIOS: Axios, citing two sources, reported that the US informed regional allies it will not engage in the Israel-Iran war unless Iran targets American personnel. The message conveyed was that if Americans are attacked, a red line would be crossed. The Biden administration (under Trump in this scenario) is not actively considering Israeli requests for US involvement in the war.

IRGC: Israel Will Not Enjoy Peace Or Stability

IRGC: The IRGC stated it launched the ninth wave of Operation "Truthful Promise 3" against the Zionist entity using missiles and drones.

Operations against Israel continue tonight.

In the past 72 hours, 545 drone operations were conducted.

"We will not allow the Zionist entity to enjoy peace or stability."
