Palestinian factions meeting in Cairo agreed to hand Gaza's administration to an independent technocratic committee.

Meanwhile, Israeli ministers, including Itamar Ben-Gvir, reportedly called for shooting "children and donkeys" who approach Gaza's invisible "yellow line".

Since October 7, 2023, Israel has killed 68,234 and injured 170,373 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.
