Palestinian outlets reported that Israel carried out more than ten air raids targeting the eastern areas of Khan Yunis, in the southern Gaza Strip.

Meanwhile, the Al-Qassam Brigades handed over the bodies of two Israeli prisoners to the Red Cross in Gaza, warning that Israel's ongoing violations of the ceasefire threaten to obstruct further recovery operations.

Since October 7, 2023, Israel has killed 68,527 and injured 170,395 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.

Turkiye to Host Meeting Monday on Gaza Ceasefire

TURKISH FM:

Turkish Foreign Minister Hakan Fidan announced Friday that foreign ministers will meet next Monday to discuss the Gaza ceasefire and next steps, expressing Ankara’s concern about the fragility of the truce.

Speaking at a press conference in Ankara, Fidan said the meeting will include ministers who met with U.S. President Donald Trump in New York in September, adding that discussions continue over the formation of a Gaza Task Force and a stabilization force.

“The topics currently under discussion concern the transition to the second phase, which is the stabilization force,” he said.
