A nine-month-old baby girl died from extreme cold inside displacement tents in Khan Yunis, as temperatures plunged during a severe winter storm.

Her death comes as Israeli forces continue to violate the ceasefire, deepening the humanitarian emergency facing hundreds of thousands of displaced Palestinians.

Since October 7, 2023, Israel has killed 70,360 and injured 171,047 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.
