## **Staff**

A new poll has revealed that a majority of Americans oppose US involvement in a war with Iran, while President Donald Trump said he has not yet made a final decision.

Meanwhile, Russia warned Washington against entering the conflict, and Iran launched a new Sejil missile at Israel.

Since October 7, 2023, Israel has killed 55,493 and injured 129,320 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.

## **Israeli Intelligence Official: Imminent Collapse of Iranian Regime Far from Reality**

NBC NEWS: An Israeli intelligence official told NBC that Iran's faster missiles during the past day gave Israel less time to prepare.

The official added that Iran still holds enough missile stockpiles to continue responding to Israeli strikes for a prolonged period.

Thu, Jun 19, 8:09 PM (Palestine Time)

## **Israel's Concrete Shelters 'Ineffective' against Iranian Strikes – Reports**

PALESTINE CHRONICLE: Concrete shelters installed in northern Israel during Israel's military operation in Gaza are ineffective in protecting against Iranian ballistic missile attacks, Al Mayadeen reported on Thursday, citing Israeli media.

The shelters, positioned across northern regions, are now being criticized as unsafe, the report said.

Thu, Jun 19, 7:50 PM (Palestine Time)

## **Netanyahu: Regime Change in Iran Is Not the Goal, but a Possible Outcome**

ISRAELI PRIME MINISTER:

Israeli Prime Minister Benjamin Netanyahu said that while regime change in Iran is not a goal, it could be a result of current events.

He added that the Iranian people are the only ones who can bring about such a change, but noted that Iran's leadership is clearly affected by Israeli strikes.

Thu, Jun 19, 7:50 PM (Palestine Time)

## **Trump Weighs Strike on Fordow Nuclear Facility**

CBS NEWS:

CBS reported that President Trump is seriously considering a strike on Iran's Fordow nuclear facility.

Sources say he believes completing the mission requires destroying Fordow due to the threat of Iran producing nuclear weapons in a relatively short timeframe.

While Trump postponed a final decision, he is prepared to involve the US if needed to neutralize the site.

One of the options reportedly discussed was Iran disabling Fordow on its own.

Thu, Jun 19, 7:50 PM (Palestine Time)

### **Trump Briefed on Risks and Benefits of Fordow Strike**

CNN: American officials told CNN that the US military has taken several steps to safeguard its assets in the Middle East.

Trump has been briefed on the potential risks and benefits of striking the heavily fortified Fordow nuclear site in Iran.

Thu, Jun 19, 7:50 PM (Palestine Time)

### **Iranian FM Holds Talks with US Envoy on Ceasefire Conditions**

REUTERS: Diplomats told Reuters that Iran's Abbas Araghchi and US envoy Steve Witkoff have spoken multiple times since Israel began its strikes.

The first call was initiated by Washington, proposing a new offer to break the deadlock.

Araghchi reportedly said Iran would not return to talks unless Israel halts its attacks, but signaled possible nuclear flexibility if Washington pressures Israel to end the war.

Thu, Jun 19, 7:50 PM (Palestine Time)

### **IRGC Downes Israeli Drone in Western Iran**

IRGC: The Islamic Revolutionary Guard Corps announced that it shot down an Israeli Heron Eitan drone over western Iran. Footage released by Iranian armed forces showed the wreckage near Isfahan.

Thu, Jun 19, 7:50 PM (Palestine Time)

### **Iran Capable of Closing Strait of Hormuz**

NEW YORK TIMES: US military officials told The New York Times that Iran retains sufficient naval and other capabilities to shut down the Strait of Hormuz if necessary.

Thu, Jun 19, 7:50 PM (Palestine Time)

### **Six Soldiers Killed in Israeli Strike on Western Iran**

IRANIAN ARMY: The Iranian military announced that six soldiers were killed in an Israeli airstrike targeting a base in Lorestan Province, western Iran.

Thu, Jun 19, 6:08 PM (Palestine Time)

### **Iran Uses Multi-Warhead Missile in Attack on Israel**

ISRAELI ARMY RADIO: The Israeli military revealed that Iran used a multi-warhead missile in the latest attack, presenting a new challenge to Israel's defenses. According to Israeli Army Radio, security sources confirmed that the missile that struck Gush Dan was composed of several smaller warheads, which dispersed across different sites upon impact.

Thu, Jun 19, 6:08 PM (Palestine Time)

## **IRGC Launches New Wave of Attacks on Haifa and Tel Aviv**

IRGC: The Iranian Revolutionary Guard Corps announced the beginning of a new wave of combined missile and drone attacks targeting military sites in Haifa and Tel Aviv. The statement noted that over 100 attack and suicide drones are being deployed and that the missile strikes will continue and intensify gradually.

Thu, Jun 19, 6:08 PM (Palestine Time)

## **Expert: Fordow Strike Unlikely to Be Catastrophic**

CNN cited experts saying that striking or destroying Iran's Fordow nuclear facility is unlikely to lead to catastrophic consequences typically associated with bombing nuclear reactors.

REUTERS also quoted an Iranian diplomat confirming that the Bushehr nuclear plant on the Gulf coast was not hit by Israeli strikes.

Thu, Jun 19, 6:08 PM (Palestine Time)

## **At Least 271 Injured in Israeli Hospitals**

### **Three Killed, Others Injured in Strike North of Nuseirat**

ISRAELI MEDIA: Palestinian local sources reported that three Palestinians were killed, and others injured due to occupation vehicles and drones shelling Palestinians as they waited for aid near the Wadi Gaza bridge, north of Nuseirat, in the central Gaza Strip.

Thu, Jun 19, 4:15 AM (Palestine Time)

### **Director of National Intelligence, Defense Secretary Not Key Players in Iran Discussions**

US MEDIA: The Washington Post, citing officials, reported:

Director of National Intelligence Tulsi Gabbard and Defense Secretary Pete Hegseth do not have a primary role in Trump's inner circle regarding discussions about Iran.

The circle of advisors on Iran includes Vice President J.D. Vance, Secretary of State Marco Rubio, and the Chairman of the Joint Chiefs of Staff.

The CENTCOM Commander has not taken a hardline stance on striking Iran and has presented Trump with a range of options.

### **Sirens Sound in Northern Israel Amid Drone Infiltration**

ISRAELI MEDIA: Israel's Home Front Command reported that sirens sounded in northern Israel for the second time, triggered by drone infiltration.

Thu, Jun 19, 2:05 AM (Palestine Time)

### **Trump Seeks Assurance on Necessity of Iran Attack**

US MEDIA: Axios, citing US officials, reported:

Trump wants to ensure that any attack on Iran is truly necessary and will not drag the US into a long-term war.

Trump also wants to verify that a potential strike would genuinely achieve the goal of destroying Iran's nuclear program.

It was noted that massive bunker-buster bombs have never been used in a battlefield setting.

Thu, Jun 19, 1:59 AM (Palestine Time)

### **Dead and Injuries in Strike on Aid Seekers North of Nuseirat**

Wed, Jun 18, 11:50 PM (Palestine Time)

## **Iran: We Repelled Multiple Israeli Cyberattacks**

IRANIAN CYBER SECURITY COMMAND:

The Zionist entity launched widespread cyberattacks yesterday targeting Iran's banking networks. Iran successfully repelled several of these attacks.

Wed, Jun 18, 11:50 PM (Palestine Time)

## **IRGC: We Won't Let Zionists Step Outside Shelters**

IRGC:

We used long-range Sejil missiles in the 12th wave of strikes against the Zionist entity.

The missile attacks will be sustained and focused—we have opened the gates of hell.

Our missiles will not let Zionists step outside the shelters, and they've gone days without seeing the sun.

We destroyed the Zionist army's air defenses, and the skies of occupied territories are open to our missiles and drones.

Wed, Jun 18, 11:50 PM (Palestine Time)

## **Israeli Army Radio: Iran's Last Missile Was Exceptional**

ISRAELI ARMY RADIO: An Israeli security official told Army Radio that the latest Iranian missile fired at Gush Dan was exceptional in type, weight, and the amount of explosives it carried—significantly higher than usual.

Wed, Jun 18, 10:09 PM (Palestine Time)

## **Iranian Official: Hezbollah Will Move If US Enters The War**

AL-JAZEERA:

A senior Iranian official told Al Jazeera:

If the US enters the confrontation alongside the Zionist entity, Hezbollah will move.

Any direct US involvement will be met with unprecedented threats to enemy ships.

Iran's actions against maritime targets and enemy positioning will be an option if the US joins the war.

Wed, Jun 18, 10:09 PM (Palestine Time)

## **US Official: We Don't Know What Trump Will Do**

AL-JAZEERA:

A US official told Al Jazeera:

No one knows what President Trump will decide regarding Iran.

Options range from negotiations to a military strike.

A strike on the Fordow facility would require assessment of consequences and Iran's response.

Iran and its allies in the region have capabilities to attack our forces if we go to war.

Our assessment is that Iran and its allies will attack US forces if we strike.

US forces in the Middle East are under maximum protective measures.

The USS Gerald R. Ford will soon join the Sixth Fleet in the Mediterranean as scheduled.

The Ford and its strike group will protect our forces and strengthen deterrence.

No B-2 bombers have yet been deployed to the Middle East.

Israel is intercepting most Iranian missiles, but some have broken through its defenses
