Israeli aircraft launched several airstrikes on eastern Khan Yunis in the southern Gaza Strip.

The UN Office for the Coordination of Humanitarian Affairs said that 20% of those killed by Israeli forces across the West Bank in 2025 were children.

Since October 7, 2023, Israel has killed 68,875 and injured 170,679 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.
