Hamas announced that a delegation led by Khalil Al-Hayya arrived in Egypt to begin negotiations on mechanisms for a ceasefire, withdrawal, and prisoner exchange.

Meanwhile, the Gaza Media Office said that the Israeli occupation continues its genocidal campaign despite calls to stop the bombardment. It added that Israeli forces have carried out more than 131 airstrikes on densely populated areas and shelters housing displaced people over the past two days.

Since October 7, 2023, Israel has killed 67,074 and injured 169,430 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.

News Roundup: Gaza Casualty Update, Strikes, and Political Statements

Netanyahu's Comments:

Israeli Prime Minister Benjamin Netanyahu stated in a US podcast that he believes Israel is approaching the end of the war in Gaza. He claimed they have crushed Hamas and that the war will end with the release of hostages and the end of Hamas's rule.

Trump's Comments:

US President Donald Trump told Newsmax that he expects we are very close to reaching a deal in Gaza.

UNRWA Report: The UN agency for Palestinian refugees (UNRWA) reported that the two-year-long war in Gaza has resulted in the deaths of more than 66,100 people.

Khan Younis Tragedy:

Three Palestinians died due to a landslide collapse on tents on the Al-Qarara coast north of Khan Yunis.

Eight injuries were reported following an Israeli shelling attack on a displacement tent northwest of Khan Younis.

Gaza City Casualties:

A source at Al-Shifa Hospital reported three were killed in an Israeli shelling attack on the Al-Sabra neighborhood in southern Gaza City.

Attacks on Gaza:

Israeli occupation warplanes carried out new airstrikes on several areas across Gaza City.

Artillery shelling targeted various areas of the city.

The Israeli military blew up residential buildings in the Al-Sabra neighborhood.

The Israeli army reportedly detonated three explosive robot vehicles in Al-Sabra.

A series of violent explosions were heard in the Al-Karama and Intelligence Towers areas in the northwest of the city.

Khan Yunis:

Israeli warplanes carried out airstrikes on the central area of Khan Yunis.

Nuseirat:

Israeli gunboats shelled the southwestern coastal area of the Nuseirat refugee camp in the central sector.

Rocket Fire from Gaza:

The Israeli occupation army reported detecting a rocket launch from northern Gaza – no injuries reported.

Israeli Channel 12 reported detecting a rocket launch, presumed to have fallen in an open area.

Air raid sirens sounded in Netiv HaAsara in northern Gaza.

West Bank Incursions and Arrests

Qalqilya:

Israeli forces launched a widespread raid of citizens' homes in Qalqilya, arresting several Palestinians, including one who had been released just hours earlier.

Jalazone Camp:

Israeli forces raided the Jalazone refugee camp north of Ramallah and searched a number of homes.

Hamas Talks in Sharm El Sheikh 'Positive'; Greta Treated Badly

Initial talks between mediators and the Hamas delegation in Sharm El Sheikh have concluded with 'positive' signs.

Positive Talks and Roadmap:

Al-Jazeera sources claimed that the first round of talks was “positive” and established a roadmap and mechanisms for the current discussions.

Hamas Condition:

The Hamas delegation informed the mediators that the continuation of the bombing in Gaza constitutes a challenge to the process of releasing the detainees.

Hamas Delegation:

The delegation included Khalil Al-Hayya and Zaher Jabareen, who were part of the group that survived the recent assassination attempt in Doha.

Flotilla Aftermath:

A number of Turkish activists who were aboard the Global Flotilla of Resilience have returned to their country. A total of 137 participants, including 36 Turkish citizens, were transported to Istanbul via a special flight.

Returning activists said that climate activist Greta Thunberg was subjected to “very bad treatment” during the Israeli interception.

West Bank Incursion:

Israeli occupation forces raided the town of Birzeit, north of Ramallah, in the occupied West Bank.

Trump: Hamas Has Agreed to Important Things

WHITE HOUSE:

US President Donald Trump said that Israeli Prime Minister Benjamin Netanyahu and all parties involved have shown a positive attitude toward the proposed Gaza agreement. “I believe Hamas has agreed to very important things,” he stated.

Trump added that he never told Netanyahu “not to be negative about the hostage deal,” emphasizing that every country is working on finalizing the Gaza agreement. “This deal has been agreed upon by everyone in an incredible way,” he said.

Two Years Too Long: UNRWA Documents Gaza's Collapse under Israeli Siege

PALESTINE CHRONICLE: UNRWA warns that Gaza has been devastated by two years of genocidal war—tens of thousands killed, mass hunger, and a population pushed to the brink of survival amid total aid restrictions.

Mon, Oct 6, 8:06 PM (Palestine Time)

Al-Qassam Brigades: We Shelled Israeli Soldiers in Gaza City

AL-QASSAM BRIGADES: The Al-Qassam Brigades announced that they targeted a gathering of Israeli soldiers and military vehicles in the Tel Al-Hawa neighborhood, south of Gaza City, with several mortar shells.

Mon, Oct 6, 8:06 PM (Palestine Time)

Greta Thunberg: We Tried to Raise Our Voices on Gaza after Our Governments Failed

AL JAZEERA: Swedish activist Greta Thunberg, recently released after being detained as part of the Freedom Flotilla, told Al Jazeera that she and her fellow activists were "mistreated by Israel, which continues to commit genocide against Palestinians in Gaza."

She said, "There is a genocide taking place in Gaza, and the world must intervene to stop it." Thunberg criticized Western governments for failing to protect human rights in Gaza, urging them to meet their legal obligations to end the genocide and stop colluding with Israel.

"We tried to raise our voices about what's happening in Gaza after our governments failed to do so," she said, adding that their mission goes beyond delivering aid — "we aim to end Israeli occupation and oppression."

Mon, Oct 6, 8:06 PM (Palestine Time)

France: Nothing Can Be Imposed on Palestinians Without Their Consent

AL JAZEERA:

Ofer Bronstein, French presidential adviser on Middle East peace affairs, told Al Jazeera, "Nothing can be imposed on the Palestinians without their consent."

He welcomed Israeli Prime Minister Benjamin Netanyahu's apology to Qatar for what he described as "a meaningless airstrike" and expressed hope that the Sharm El-Sheikh negotiations would yield positive results, including the release of captives and an end to the war.

Israel Still Holding 138 Freedom Flotilla Activists

FREEDOM FLOTILLA COALITION: The Freedom Flotilla Coalition announced that Israel has deported 171 activists but continues to detain 138 others, two days after their arrest in international waters before reaching the shores of besieged Gaza.

Mon, Oct 6, 8:06 PM (Palestine Time)

Two Years of Genocide in Gaza, Seventy-Seven Years of Denial

PALESTINE CHRONICLE: Following the revolt of the besieged against their jailors on October 7, 2023, the Zionist hasbara machine mobilized across the world to impose a false narrative. Its goal was clear: erase history, distort reality, and present Israel as the eternal victim. According to this framing, Israel was a peaceful entity blindsided by an unprovoked attack that supposedly emerged out of nowhere.
