**By Palestine Chronicle  
Staff**

At least 65 people have been killed in Israeli airstrikes targeting six residential homes across the Gaza Strip since dawn.

Meanwhile, landing and takeoff operations at Ben Gurion Airport have been suspended following the launch of missiles from Yemen towards Israel.

Since October 7, 2023, Israel has killed 52,928 and injured 119,846 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.
