Over 100 Palestinians, including women and children, were killed in Israeli airstrikes on Gaza despite a ceasefire agreement meant to halt the war and allow humanitarian relief.

The Government Media Office in Gaza said journalist Mohammed al-Munirawi was killed in an Israeli strike, bringing the number of journalists killed since the start of the war to 256.

Since October 7, 2023, Israel has killed 68,527 and injured 170,395 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.
