Several Palestinians, including children, were killed in an Israeli strike on a school sheltering displaced families in the Al-Saftawi area, north of Gaza City.

Meanwhile, Palestinian resistance groups continued to carry out deadly ambushes targeting invading Israeli forces.

Since October 7, 2023, Israel has killed 56,412 and injured 133,054 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.
